**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need a competitive provider for internet service. Home internet is a necessity nowadays and without competition in the marketplace, the major telecommunications companies will monopolize the marketplace leading to high prices and poor service. My family relies on our fiber internet service from Sonic, It is fast and reliable. I used to have AT&T DSL and the service was slow and unreliable.
